

# Anyone can use the shared cars from Kangas!

The cars are operated by Omago Ltd. and are freely for hire. By using these cars, you get an opportunity to explore driving a biogas powered car.

Cars can be hired from [tili.omago.fi](https://tili.omago.fi). Registration is required and the code you need is JKLK4NG4S

The home for the vehicles is the multi-storey carpark, P-Pergamentti.
